Heath Village Hosts Virtual Living History Program:

White House Stories

Thursday, February 17, 2022 at 11:00 am

Washington Township, Morris County – On Thursday, February 17, 2022 at 11:00 a.m. members of the public are invited to join Heath Village residents for a virtual presentation, via Zoom, featuring Carol McKinney, a noted First Lady re-enactor, who will be presenting “White House Stories.”

Her presentation will include colorful, little-known, unusual and off-beat aspects of lives in the Executive Mansion. Carol will also include brief insights into some of the women who most influenced our U.S. Presidents. “White House Stories” will tell the details rarely mentioned in textbooks but according to McKinney, “offer the spice that makes the stories worth telling.”

A local resident and President of the Heath Village Board of Trustees, McKinney has been charming audiences for years with her lectures and portrayals of First Ladies such as Dolley Madison and Louisa Adams.

While the program is free, RSVP is required. To register, please call 908-684-5009. Upon registration, participants will receive instructions for joining the Zoom call.
