Heath Village unveils *Artist-in-Residence*

Washington Township, NJ – Heath Village is proud to introduce its *Artist-in-Residence*: Andy Sutton. Formerly of Long Valley, Andy (along with his wife Barbara) moved to Heath Village in 2018.

Andy shared with Heath Village his unique Fly Fishing Flies. In addition to discussing the ancient sport of fly fishing, fly types and how they are used, he demonstrated how to make one. He has been making flies for about thirty years. His flies are of professional quality and he is a frequent exhibitor at fly fishing shows where his flies are extremely popular.

Andy is very proud to have been asked by the American Museum of Fly Fishing to include his squid fly among their display. He said that "simple" flies can take up to 15 minutes while complicated ones can take up to 8 hours! Watching him make one and seeing the level of detail in some of his flies leaves no doubt that he is most definitely an artist. A truly unique exhibit.
