

## HEATH VILLAGE

*Your Home Away from Home*

At Heath Village, we understand the toll your illness has taken on you as well as your loved ones. What you need is a warm and nurturing environment to heal. Heath Village is just the place. With its 100+ acre campus, it offers a beautiful and serene setting for your recovery.

Heath Village has multiple dining venues available to our patients (with medical clearance) and their families; including The Heritage Room, The Musconetcong Grille and Paddy's Pub as well as the Village Café.

During your stay, your loved ones may also take advantage of our family friendly game room which includes billiards, in-door shuffleboard and ping pong. They may also enjoy relaxing or eating lunch on our breathtaking courtyard and patio.

Other Amenities & Features include:

- Free Wi-Fi service throughout the campus
- Guest accommodations
- Business Center – equipped with computers, printers and fax machine
- Beauty salon
- Chapel
- Gift Shop
- Free parking

## Heath Alliance for Care, Inc.

## HEATH VILLAGE

Center for Sub-Acute Care  
and Rehabilitation Services

*Specializing  
In Senior Care*

## HEATH VILLAGE Center for Sub-Acute Care and Rehabilitation

Heath Village Center for Sub-Acute Care and Rehabilitation provides first-rate in-patient care for adult patients fifty-five and older recovering from an acute illness or injury. Our team of highly skilled rehabilitation professionals will address your medical, physical, cognitive, emotional, and spiritual needs. Together, we will help you:

- Recover from your illness and achieve your maximum potential
- Regain your strength and independence
- Reduce your risk for readmission to the hospital

### OUR TREATMENT TEAM:

The Center is staffed by health care professionals with extensive rehabilitation backgrounds.

Your care team will include:

- You
- Your family
- Nurses
- Therapists
- Social Workers
- Physicians

Your health and wellness are paramount. Your team will see to it that you get the care you need, when you need it.

Our comprehensive services include:

- Medical & Surgical Recovery
- Cardiac Care
- Wound Care
- Physical & Occupational Therapy
- Speech Therapy
- IV Therapy
- Hospice Care

Our Social Work Department will help ease your transition back to home and the community.

They will:

- Assess and evaluate your lifestyle, routine and personal support system
- Work with loved ones/caregivers on special needs
- Serve as a referral source for support groups
- Connect patients and their families with in-home services
- Oversee the discharge planning process

### OUR HIGHLY TRAINED THERAPISTS

At Heath Village, our residents come to the Center for Sub-Acute Care and Rehabilitation with a variety of healthcare needs. Our in-house highly skilled, professional team of therapists is ready and able to address each and every one.

Therapy sessions are provided based on the needs and abilities of each patient. All therapists provide individual and family education and training when necessary.

#### PHYSICAL THERAPY

Our physical therapists focus on:

- Strengthening the body
- Building endurance
- Maximizing the overall mobility of each individual's physical abilities

Our physical therapy team also includes a licensed vestibular therapist.

#### OCCUPATIONAL THERAPY

Our occupational therapists help individuals increase their independence in activities of daily living such as

- Bathing
- Eating
- Grooming
- Homemaking
- Dressing

#### SPEECH THERAPY

Our speech language pathologists focus on improving

- Cognition
- Swallowing
- Communication skills
