Our GOAL:
To ensure excellence by adhering to the highest standards

• Comprehensive evaluations and individualized therapeutic management
• Established policies and procedures for all diagnostic and therapeutic management
• Expertise in documentation necessary for third-party reimbursement
• Consistency in meeting requirements for state inspections
• Assignment of consistent therapists to ensure continuity of care

Our PHILOSOPHY:
We are part of your team providing

• Attendance at care meetings
• On-going contact with your residents’ attending physician and your facility’s staff
• Free screening services for your residents

Heath Care Management manages Rehabilitation Services differently than most Rehabilitation companies—we are long term care operators too, so we understand how the facility functions and the needs of the clinical staff.

They have the need for:
• A consistent go-to person
• A problem solver
• Creativity with difficult to position residents
• Great communicator at family meetings
• Restorative programming
• Quick response to declines in ADLs
