

# Oral Health for Seniors Seminar

— with Delta Dental —

## Discover the Top 5 Oral Health Conditions That Impact Seniors

Heath Village is excited to host an in-person oral health seminar for seniors with Dr. Keith Libou, Delta Dental® Chief Clinical Officer of New Jersey and Connecticut.

**Thursday, February 15th**  
**2:00 pm at Heath Village**

Come learn about the top 5 oral health conditions that can frequently impact seniors.

Untreated Tooth Decay • Gum Disease • Tooth Loss • Oral Cancer • Chronic Disease

### *Speaker Note*

Dr. Keith Libou oversees the Professional Relations Department, provider networks, claims processing policies, as well as works with the dental consultants. He was instrumental in advocating for dentists to be allowed to perform HbA1C blood tests to help identify undiagnosed diabetic and prediabetic patients who have risk factors for diabetes. Delta Dental of New Jersey and Connecticut now cover the HbA1c test for all members.

Dr. Libou is licensed to practice dentistry in New Jersey, Pennsylvania, and Connecticut. He received his B.S. in biology at the State University of New York at Binghamton and he later graduated from the University of Pennsylvania School of Dental Medicine where he earned his D.M.D.

*Light refreshments will be served.*
