

This year marks
Heath Village's 60th Anniversary

— a remarkable milestone and a time to celebrate six decades of serving seniors with compassion, dedication, and pride. It has been an honor and a privilege to serve the senior population for so many years.

As we celebrate our Diamond Anniversary, we are excited to build upon our rich legacy while looking toward the future. We remain committed to growing our community, embracing new opportunities, and enhancing the Heath Village experience for generations to come.

Most importantly, we look forward to continuing to create a place where residents feel at home, families feel confident, and our community remains a trusted choice for seniors throughout the region.

Inspired by a single gift from a concerned resident, the Friendship Fund was established in 1971 through a joint effort between residents and the Board of Trustees to help residents facing financial hardship continue to live fulfilling lives here at the Village. More than \$14 million in assistance has been expended for residents since the inception of the Fund.
